

MOLD CLEARANCE LETTER

To: _____

Company / Individual: _____

Address: _____

Contact Person: _____

Phone / Email: _____

Subject:

This letter serves as formal clearance for the mold(s) specified herein, confirming that all mold(s) have been inspected, approved, and are authorized for use in production. The undersigned party affirms that the mold(s) meet all agreed specifications and quality standards and are free from defects that would impair manufacturing or final product integrity.

Mold Details:

Mold Identification Number	
Mold Type / Description	
Material	
Dimensions / Size	
Approval Status	Approved
Comments / Notes	

Terms and Conditions:

1. Inspection and Approval

The mold(s) have been inspected by authorized personnel and approved for manufacturing use. Any defects or deviations must be reported immediately.

2. Ownership and Responsibility

The ownership of the mold(s) remains with the undersigned unless otherwise specifically agreed in writing. Responsibility for maintenance and repair rests with the owner.

3. Use Restrictions

The mold(s) shall be used solely for the manufacturing of agreed products and shall not be transferred, altered, or duplicated without prior written consent.

4. Quality Assurance

The mold(s) conform to applicable quality and safety standards. Any issues arising from mold condition impacting production quality will be addressed per contractual agreements.

5. Indemnification

The undersigned agrees to indemnify and hold harmless the other party from any claims or damages arising from the use or condition of the mold(s).

6. Governing Law

This Mold Clearance Letter shall be governed by and construed in accordance with the laws of the United States of America and the applicable state laws.

7. Entire Agreement

This letter constitutes the entire agreement regarding the mold clearance and supersedes any prior discussions, agreements, or representations.

8. Signatures

This letter shall become effective upon signature by authorized representatives of both parties and may be executed in counterparts.
